

The Stone Age Rocks!

Here is a suggestion of some activities linked to what we are learning about in school. We hope you have fun completing them together. For each one you complete, please upload a photo of your work to Seesaw.

<p>Design a Stone Age outfit.</p>  <p>A collection of Stone Age illustrations including a man and woman in animal skins, a child, a dog, a mammoth, a cave entrance, a wolf, a campfire, and various stone tools like spears and axes.</p>	<p>Make a model of a Stone Age house/dwelling. Can you use materials that would have been available in the Stone Age?</p>
<p>Design and create a poster with your 6 favourite Stone Age facts and present it to your family.</p>	<p>Research the types of food that was available to the Stone Age people. Can you write a recipe using food that the people had access to.</p>
<p>Imagine you can go back in time to the Stone Age. You can take <u>one</u> piece of modern technology with you. What would it be and why?</p>	<p>Draw and list as many animals that existed during the Stone Age.</p>
<p>Why not make your own Stonehenge! Can you collect some rocks to recreate this famous monument?</p>  <p>A photograph of the Stonehenge monument in England, showing the large grey stone structures arranged in their characteristic circular formation under a clear blue sky.</p>	<p>Design and draw your own Prehistoric creature.</p>  <p>An illustration of a prehistoric scene featuring a large brown bear-like creature standing on a rocky, hilly landscape with a tree and a small hut in the background.</p>
