Well done to both of these classes.

We've also had two families who won tickets to the Marvel arena show for their children's 100% attendance.

More awards are planned for next term.

## Uniform

Can we please remind parents to send children into school with black shoes; plain navy or black head scarves; plain black or navy trousers, skirts or school dress. It is really cold outside now so please ensure your child has a warm coat to come to school in.

Please write your child's name in all items of clothing so if they do get lost they can be easily returned.

**Remember we are closed for a Training Day on Monday 6th January.**

**School re-opens for children on Tuesday 7th January.**

**Have a lovely holiday and enjoy the time off with your families and friends.**

## **Baby Changing Unit**

### **In Harmony Concerts**

A huge well done to all of the children who have performed in the concerts which have taken place this term. I'm sure you will all agree that they have been fantastic. Thank you to all of the parents who attended too, your support is so important to the work the children do.

Thank you to all the parents who have attended our parents into classrooms sessions, we hope you enjoyed them as much as we did.

**Reception** had their Elmer day.

**Year 1** linked their session to their topic work on Transport and did some junk modelling.

**Year 2** held a 'reading with your child' session.

**Year 5** showcased their topic work on Space with a sharing assembly.

### **Year 5 Architecture project.**

This half term year 5 have had the opportunity to experience life as an architect by working with local architects Sadler Brown. As they have been studying WW1, they looked at post war housing and how prefabs were developed. They also looked at urban planning as they designed their own community, focusing on maximising land space.
