

## Science

We will be learning all about different materials. We will be thinking carefully about objects and the material from which they are made, and we will be identifying and naming a variety of everyday materials.

## English

This half term, we will be using our literacy skills to develop our speaking and listening skills. We will also be writing scripts and performing weather forecasts. We will also be revisiting and learning lots of new sounds in our phonics lessons.

## Computing

### We are collectors

We will be working on using the internet to find and retrieve images. We will be learning about e-safety and what to do if we see something online that concerns us.

## Year 1

### Autumn 2

### Where do the leaves go in winter?

### Key dates for your diary

Christmas performance - 20th December

Christmas party - 20th December

## PE

Dance

Net and ball games

## Spiritual, Moral, Social and

## Cultural (SMSC, RE, PSHE)

We will thinking about different festivals and celebrations in RE. We will be thinking about what harms and improves our local areas and how we can look after our local environments. We will be working on sharing and explaining our opinions.

## Humanities

### (Geography, History, Global Learning)

Through our topic, we will be looking at weather and seasonal changes. We will be making weather charts, making plausible predictions about the weather. We will also be thinking about the different clothes we might wear at different times of the year.

## Art and Design Technology

We will be researching some famous artists and we will be focussing on the work of William Morris. We will be creating our own art work using a range of mediums such as pencils, chalk and paint.

## Maths

We will be measuring temperature and looking at rainfall. We will be setting out our findings in tables and charts.
