

## **Hawthorn Primary**

### **Freedom of Information Act 2000**

*The governing body is responsible for maintenance of this scheme.*

#### **1. Introduction: what a publication scheme is and why it has been developed**

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information. There are clear exemptions to the requirement to produce information on demand, so as to protect

confidential/sensitive/personal data, for example about children or members of staff.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

## **2. Aims and Objectives**

The school aims:

- to provide a caring, disciplined and challenging environment that stimulates the intellectual, emotional, physical, moral and spiritual growth of the pupils;
- to enable each child, whatever their ability, to recognise their own worth and to accept their responsibilities to society;
- to provide a broad and stimulating curriculum based on the National Curriculum, which seeks to develop lively, inquiring minds, and enables children to understand the society in which they live;
- to nurture those basic skills and concepts which are necessary for future education and development;
- to encourage self-confidence, self-discipline and self-motivation so that children may become self-reliant in their learning;
- to enable children to strive for excellence.

and this publication scheme is a means of showing how we are pursuing these aims.

## **3. Categories of information published**

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future.

The classes of information that we undertake to make available are organised into four broad topic areas:

*School Prospectus* – information published in the school prospectus.

*Governors' Documents* – information published in the Governors Annual Report and in other governing body documents.

*Pupils & Curriculum* – information about policies that relate to pupils and the school curriculum.

*School Policies and other information related to the school* - information about policies that relate to the school in general.

#### **4. How to request information**

#### **7. Feedback and Complaints**

We welcome any comments or suggestions you may have about the scheme. If you want to make any comments about this publication scheme or if you require further assistance or wish to make a complaint then initially this should be addressed to the School Business Manager at school.

- If you are not satisfied with the assistance that you get or if we have not been able to resolve your complaint and you feel that a formal complaint needs to be made then this should be addressed to the Information Commissioner’s Office.
