

## Science

### Animals including humans:

Recognise the impact of diet, exercise, drugs and lifestyle on the human body.

## Year 6

### Summer Term 2

## Humanities (Geography, History , Global learning)

### Geography: Natural Resources

- What are natural resources and where can they be found in Britain
- How natural resources are used to make energy
- Identify parts of the world where wood is produced, and consider some of the problems associated with its production
- To know where and how glass and concrete are produced in Britain using natural resources

## English

### Class text: Michael

*This is the story of a boy whose teachers called him the worst boy in the school. He is always late, untidy and there is something different about him.*

*But, by being himself and following his own interests, Michael shows everybody that he too can be successful even though he stands out from the crowd*

All writing will be linked to our class text:

Diary writing  
Letter writing  
Newspaper writing  
Persuasive writing.

### Key dates for your diary

Tuesday 17<sup>th</sup> is the Y6 leaver's assembly

## Art and Design Technology Slipper s
