#### Hawthorn Primary School: Special Educational Needs and Disabilities (SEND) Information

Hawthorn Primary School is a fully inclusive school. Our mission statement; 'Hawthorn Primary School, where every child <u>really</u> matters', forms the foundation of our belief that all children can achieve their potential personally, emotionally, socially and academically in all areas of the curriculum.

This document gives families information about the ways in which we support our children with a special educational need or disability (SEND). We provide a full range of educational and pastoral support to all children within our school. The strategies, resources and support explained are general; each child is an individual and will receive unique provision and resources to suit their specific needs.

When children's progress has slowed or stopped, we put in place lots of strategies and interventions to help them move forward. After a short time, the impact of the intervention is evaluated, we may identify children as having SEN if their progress continues to slow down or has stopped and the interventions, strategies and resources put in place are not working. At this point, we use individual education plans (IEP's) and year group provision maps, which help support their development and speed up progress. We may also involve other professionals that work at Hawthorn to help support the children, such as Educational Psychologists (EP), Speech and Language Therapists, Occupational Therapy (OT) etc.

Children with SEN at Hawthorn Primary School make good progress and achieve in line with other schools nationally. We hold 'Advanced Inclusion Quality Framework' status. Other useful documents such as our SEN and Inclusion policy and Accessibility Plan are available on the school website.

Other useful documents, such as our SEND policy, are available on the school website <u>http://www.hawthorn.newcastle.sch.uk</u>. If you would like further information about what we offer here at Hawthorn Primary School, please contact our SENCo, Sara Mulvey, by email <u>sara.mulvey@hawthorn.newcastle.sch.uk</u> or phone on 0191 2734237.

Hawthorn Primary School operates its SEN provision in line with Newcastle Local Authority's SEN and disabilities and procedure. To access more information about this, visit <u>Newcastle Families Information Service.</u>

Parents/Carers can also contact Newcastle Special Educational Needs and Disabilities Information, Advice and Support Service (SEND IASS) for information, advice and support about their child's SEN and/or disability. They can be contacted on 0191 284 0480 or by email at <u>sendiassadmin@newcastle.gov.uk</u> ask for Judith Lane or Sarah Francis.

# School entitlement offer to pupils with additional needs

#### For <u>all</u> pupils at Hawthorn Primary School who have an additional need (SEND):

- We recognise that the family is the expert on their child and work in partnership with them.
- We operate a graduated response based upon need; **assess, plan, do, review,** using the information to inform future planning and teaching.
- Deliver high quality teaching, adapting and differentiating the curriculum and our resources to ensure children can access the learning.
- We use child friendly individual education plans (IEPs) which clearly state the child's area(s) of need, their targets and the provision and resources to be used to support them in meeting personal targets.
- We involve the child, parents/carers and key staff members in the writing, implementing and reviewing of individual education plans (IEPs).
- All staff have completed, and will continue to receive, on-going training in relation to meeting pupils' needs in the classroom.
- Support staff are placed where they are needed throughout the school to ensure pupil progress, independence and value for money.
- We evaluate intervention groups, strategies and teaching resources on a termly basis and adapt the interventions to suit, including the use of pupil progress meetings.
- We ensure there is access to teaching and learning for pupils with SEN through the schools self-evaluation process and the Inclusion Quality Framework (IQF) Award.
- Support our families with children with SEN through review meetings organised throughout the year, and through our "open door" approach.
- We seek advice from outside agencies to ensure each child's needs are fully identified and understood and to learn from specialists how best to support our SEN children. Families are also advised of other services and organisations which may offer further advice and support.
- We have a SENCo who has completed the NASC qualification, who can provide advice and guidance to staff.
- We ensure that our school activities and trips, as far as possible, are accessible to all our SEN children.
- Parent/carer voice is of great importance to us, we ask that an SEN questionnaire be completed each year so we can listen to your views and act on them, where appropriate.

- We offer support to all pupils and parents/carers during periods of transition; Early Years to Key Stage 1, Year 6 to Secondary School by organising:
  - Transition visits to the next school (supported by our staff);
  - Visits to Hawthorn Primary school and a chance to meet our team;
  - Staff from other schools/provisions invited in to meet children that may be moving on;
  - Transition groups carried out by our Educational Psychologists (EPs);
  - Attendance of Hawthorn staff at reviews to gather/share information.

## For pupils with a higher level of need or an Education Health and Care Plan (EHCP):

- We use detailed planning and closely monitor of progress.
- We support access to the curriculum and provide individualised programmes of work across several areas where necessary.
- We deliver specific, targeted interventions where necessary.
- We act as a link between home and school.
- We organise an annual review of the Education, Health and Care Plan (EHCP) with recommendations submitted to the local authority.
- We support the pupil work on their individual targets.
- We organise multi-agency planning and assessment of targets at interim reviews.
