

Science

In science, we will be learning all about plants. We will be carrying out experiments to show what plants need to grow and identifying the parts of a plant. We will also be naming and identifying some common wild and garden plants.

English

This half term, we will be reading: Katie in London by James Mayhew and The Queen's Knickers by Nicholas Allan. We will:

- Write questions which we would like to ask the queen
- Create missing posters
- Write speech bubbles for different characters
- Create a poster persuading people to visit London
- Write a diary entry

Computing

We will be learning how to record a sound and play it back.

Year 1

Summer 2

What makes up the UK?

Key dates for your diary

School breaks up—22.07.22

PE

Athletics

Gymnastics

Spiritual, Moral, Social and

Cultural (SMSC, RE, PSHE)

RE — We will be looking at the symbols of two religious traditions and discussing the similarities between the ways these religions use common symbols.

PSHE — We will be learning about different kinds of feelings and know simple strategies to manage these feelings.

Humanities

(Geography, History, Global Learning)

Through our topic we will be naming, locating and identifying characteristics of the four countries and capital cities of the UK and surrounding seas. The children will use aerial images to recognise famous landmarks and identify basic physical features.

Art and Design Technology

This half term, the children will create a colour wheel using water colours. They will also sketch a famous landmark.

In design and technology, the children will plan and design a finger puppet using fabrics.

Maths

This half term, we will be focussing on numbers within 100. The children will be counting forwards and backwards and identifying one more and one less.

The children will also be introduced to time and telling the time to the hour and half hour.
