

Science

In science, we will be learning about our five senses. The children will be talking about what they can see, touch, smell, hear and taste. We will be discussing the purpose of each of the senses and identifying which part of the body is associated with each sense.

English

This half term, we will be reading: Dogger by Shirley Hughes and Toys in Space by Mini Grey. We will:

- Write about our favourite toy
- Create a missing poster for one of the characters from Toys in Space
- Write a character description for the Hoottopize
- Re-tell the story of Dogger
- Drama activities linked to the characters in Dogger

Computing

We will be learning about ways which we can keep ourselves safe on the internet.

Year 1

Spring 1

A Toy Story

Key dates for your diary

Safer Internet Day—8th February 2022

PE

Attacking and Defending

Circuit Training

Spiritual, Moral, Social and

Cultural (SMSC, RE, PSHE)

RE— We will be discussing stories from different traditions and sources.

PSHE— We will be thinking about our feelings and learning about different types of behaviours. We will also be identifying special people in our lives.

Humanities

(Geography, History, Global Learning)

Through our topic, we will be looking at old and new toys and placing these on a timeline. We will also be identifying and comparing materials of old and new toys and discussing how they have changed over the years.

Art and Design Technology

In design and technology, we will be designing, making and evaluating our own pop up toy.

The children will also create a teddy bear collage using a range of materials.

Maths

This half term, we will be focussing on place value within 20. The children will be counting forwards and backwards and identifying one more and one less than a given number. We will also be adding and subtracting numbers within 20.
