

HAWTHORN NEWS OCTOBER 2018

What a busy term we have had already. Thanks to all of the parents who joined us for our last Friends of Hawthorn coffee morning. Our next meeting will be on Friday 26th October after our Friday assembly – all parents welcome.

At the last meeting parents asked about our new Learning Points. The children can be awarded learning points for:

- Positive attitudes to their learning
- Independent learning
- Taking pride in their work
- Team work and sharing ideas

The children collect their points in class and each week teachers hold an auction when children can use their points to bid for prizes. Some children prefer to save up points over the course of a few weeks and bid for a bigger prize.

Attendance

We have more and more children each week who achieve 100% attendance. Check out the attendance page on our school website (www.hawthorn.newcastle.sch.uk) for weekly updates. You can also check your year group attendance on the display in the school hall.

All of our classes have been visiting our local library at Cruddas Park. They have really enjoyed the storytelling sessions with the librarians and have chosen books to bring back to school.

GRAND OPENING OF HAWTHORN PRIMARY SCHOOL LIBRARY

On Friday 26th October 2018

9:00am

All parents welcome
