

### Science

We will be looking at parts of the human body and talking about the purpose of these parts.

We will also be using the outdoor space to engage with and explore the natural environment. We will be looking at the environment around us and observing what we can see and hear. We will also be making bird feeders and crafting shapes with sticks.

### Year 1

#### Autumn 1 (Weeks 1-4)

#### Key dates for your diary

Arts Week—28.09.2020

### Humanities

#### (Geography, History, Global Learning)

Through our text, Here We Are, we will be looking closely at the illustrations and identifying key geographical and environmental features, such as trees, mountains, hills and fields.

We will also be learning about our planet and discussing the environment in which we live in.

### English

We will be looking at the book 'Here We Are' by Oliver Jeffers. Through this text, we will:

- Explore the illustrations and describe what we can see
- Write sentences and captions
- Label geographical features
- Create a class poem about our planet

### PE

Fundamental Skills

#### Art and Design Technology

We will be using a range of media to create illustrations of Earth and star constellations.

We will also be creating our own self-portraits.

### PSHE/Wellbeing

We will be sharing our thoughts and feelings about being back at school. We will also be discussing ways in which we can keep safe and healthy and how we can care for others around us.

We will also be reading The Colour Monster by Anna Llenas and talking about our different emotions and feelings. We will be thinking about things which make us happy.
