

School Council Minutes – October 7th 2022

We welcomed our school council representatives – Y5 were not able to attend as they had a visitor in their classroom today.

Today children came to the meeting with priorities they want to raise over the next few months.

- Themed lunches e.g. from different countries.
- More Play equipment
- Can KS1 and Ks2 swap yards every so often
- Science day
- More theme days like world book day
- Y6 having more responsibilities in school such as showing visitors around.

Mrs Lawrence has told a school council then when we next meet we will start to delegate jobs out between the different school councillors we will also start to plan children in need.

Next meeting 21st October
