

Science

We will be learning all about different materials. We will be thinking carefully about objects and the material from which they are made, and we will be identifying and naming a variety of everyday materials.

English

This half term, we will be reading 'Duck in the Truck' by Jez Alborough and 'Naughty Bus' by Jan and Jerry Oke .

We will be retelling and writing stories and looking at recounts. We will also be using our literacy skills to write captions and labels .

Computing

We will be working on developing basic keyboard and mouse skills and using the internet to find and select images. We will also be developing our skills in storing and retrieving files and combining text and images.

Year 1

Autumn 1

Transport

Key dates for your diary

Music Starts 9th September

Parents are invited into class

PE

Fundamental Skills

Team Building

Spiritual, Moral, Social and

Cultural (SMSC, RE, PSHE)

We will be spending some time thinking about rules and consequences (for example road safety) and we will be thinking about the choices that we make.

We will also be thinking about belonging and what it means to belong to a group.

Humanities

(Geography, History, Global Learning)

Through our topic of transport, we will be learning about how transport has changed over time, and looking at transport from the past.

We will also be thinking about our local area, and talking about where we live.

Art and Design Technology

We will be using our skills in art and technology to design and create our own vehicle.

This will include thinking about materials, planning, designing and creating.

Maths

We will be thinking about traffic and transport in the local area. We will be carrying out a traffic survey, which we will then use to present data (bar chart, tally chart etc).
