

Science

Children will study light and how it travels. They will explore how to change the path of a beam of light, properties and materials linked to light and how shadows can be changed.

Year Group: 6

Term: Autumn 2

Topic: WW2

Humanities

We will study WW2 and its effect on our locality. We will look at key events, such as the announcement of war, the Battle of Britain and the Blitz. We will think about how people in Newcastle responded to the war and how the war changed the role of women. .

English

We will look at war poetry, linking this to Remembrance Day. We will also study narrative, using 'Letters from the Lighthouse' by Lucy Strange. We will also look at persuasion using a text about Noor Inayat Khan.

Key dates for your diary

November—Remembrance Day

PE

We will complete lessons around fundamentals and outdoor adventurous activities

Computing

In computing, we will study how we can fix problems in algorithms using Scratch.
