

Science

In Science, we are going to continue learning about different types of animals. We will be thinking about how we can classify animals, describe animals, and compare animals. We will continue to practise working on naming, identifying and labelling the basic parts of the human body and senses.

English

Through our topic this half term, we will be spending lots of time looking at both fiction and non-fiction books. We will be doing research, writing letters, diary entries, labelling diagrams, writing with description and practising our speaking and listening skills through roleplay.

Computing

In computing this term we will look at how we can stay safe online. We will also look at ways we can take an image and select appropriate painting tools to create and change images on the computer.

Year 1

Spring 2

Why was Neil Armstrong brave?

Key dates for your diary

World Book Day - Thursday 7th March

STEM Week - w/b 11th March

Parents Science afternoon - Wednesday 13th March

PE

Striking and Fielding games

Gymnastics

Spiritual, Moral, Social and

Cultural (SMSC, RE, PSHE)

In RE, we are going to be looking at sacred writings and we will be looking at Easter and why it is celebrated.

We will be looking at dental health and how to look after our teeth.

Humanities

(Geography, History, Global Learning)

We are going to be focussing on chronological order, understanding how famous people from the past helped our lives today. We are going to be talking about historical events.

Art and Design Technology

We will be researching some famous artists, using pastels and watercolours.

We will be using art skills such as observational drawings.

In DT, we will be designing, making and evaluating our own rockets.

Maths

In maths, we are going to be working on length, height, weight and volume.

We will continue to practise counting in twos, fives and tens.
