

### School Council Minutes – September 2022

1. We welcomed our new school council representatives – there were lots of new faces and some returning ones.
2. Mrs Lawrence explained what the role of school council is. Each class is to make sure that they have meetings with their class before a school council meeting in order to collect their peers' views, thoughts and suggestions.
3. School council reps came to the meeting with suggestions from their class on ideas they would like to work on throughout the year.

Suggestions were:

- Letter to King Charles iii to congratulate him
- No pen day
- World book day
- Whole school art events
- Whole school picnic – link to coronation of King Charles iii
- Children in need
- Linking year groups together to do more work between KS1 and KS2

We agreed to meet again on 7<sup>th</sup> October to start making a priority list and to also start allocating jobs out among the school council reps.
