

Science

Our focus this term will be **Rocks**. We will be looking at different types of rock, finding out how they are made and how they change. We will also be looking at fossils and Mary Anning, a famous fossil collector. We will get the opportunity to make replica fossils.

English

We will read 'Stig of The Dump' by Clive King. A story about a young boy meeting a prehistoric man. We will be responding to this text with a range of writing from diary entries, play scripts, letter writing.

Our additional text is Dave's Cave, a humorous picture book about a cave man.

Computing

We will be discussing the importance of internet safety and how we can use our technology appropriately.

Year 3– Autumn 1

The Flintstones

Key dates for your diary

PE

Hockey

Throwing and catching games

Spiritual, Moral, Social and Cultural (SMSC, RE, PSHE)

We will discuss the importance of rules within different environments. The children will discuss recognising their own worth and the worth of others.

In R.E we will be looking at religions in the local community.

Humanities

(Geography, History, Global Learning)

We will be learning all about the Stone age. We will find out all about how early settlers lived, how they communicated, the tools they used and how they survived without the technology we have today.

Art and Design Technology

Having explored different ways prehistoric man communicated we will be looking in to cave art. We will create our own cave sketches in order to reflect a story just like our ancestors.

In D.T we will look further at the diet of a Neolithic human and will get to make our own fruit salads and stewed fruit.
