

Science

In science, we will identify and name a variety of common animals (birds, fish, amphibians, mammals and reptiles). We will also be looking at animals around the world and discussing how they can adapt to where they live.

English

This half term, we will be reading: Meerkat Mail, The Emperor's Egg and The Three Billy Goats Gruff. We will:

- Write animal fact files
- Compare animals from each of the stories and discuss similarities and differences
- Write a postcard
- Retell the story of The Three Billy Goats Gruff
- Look at non-fiction texts about animals.

Computing

We will be learning how to capture images with a camera and how to print photographs.

Key dates for your diary

STEM Week—16.05.22

PE

Invasion Games

Running & Jumping

Spiritual, Moral, Social and Cultural (SMSC, RE, PSHE)

RE — We will be looking at the symbols of two religious traditions and discussing the similarities between the ways these religions use common symbols.

PSHE — We will be learning about how we can keep our bodies healthy and identify ways which we can make healthy choices.

Humanities

(Geography, History, Global Learning)

We will be identifying hot and cold places in the world and looking at the main features of these places such as weather, vegetation and animals. We will also be identifying and locating the equator, north pole and south pole on a globe and atlas.

Art and Design Technology

This half term, we will be looking at the artist Janet Bolton. We will be weaving using paper and fabrics.

In DT, the children will plan and design a bridge for the three Billy Goats Gruff. They will test and evaluate their product.

Maths

This half term, we will be counting in 2s, 5s and 10s and also focus on doubling with numbers up to 20.

We will be making groups of equal amounts and explore sharing by placing objects into equal groups.
