

Science

This half term, we will be learning all about materials. The children will be identifying and naming a variety of everyday materials and sorting materials into groups. We will be thinking carefully about objects and the material from which it is made.

English

This half term, we will be reading 'Duck in the Truck' by Jez Alborough and 'Naughty Bus' by Jan and Jerry Oke. We will be:

- Predicting what will happen next in a story
- Labelling pictures
- Writing speech bubbles
- Describing scenes from both stories

Computing

The children will learn how to program a toy by inputting a sequence of instructions to follow their algorithm. They will begin to plan and test a Bee-bot journey and record their routes.

Year 1

Autumn 1

Transport

Key dates for your diary

PE

Fundamentals
Throwing & Catching

Spiritual, Moral, Social and

Cultural (SMSC, RE, PSHE)

RE—We will be identifying some of the ways that people believe that they can thank and praise God.

PSHE—Through links with RE, we will be discussing groups and communities which we belong to. We will also learn about the importance of respecting the needs of ourselves and others.

Humanities

(Geography, History, Global Learning)

Through our topic of transport, we will be learning about how transport has changed over time. The children will also learn about George Stephenson and his contribution to the Railways systems in the UK.

Art and Design Technology

We will be using our skills in art to create self-portraits.

The children will also explore colour mixing using the three primary colours.

Maths

This half term, we will be focussing on place value. We will be reading and writing numbers from 0 to 10 and counting forwards and backwards. We will also be identifying one more and one less than a given number.
