

# South America Home Tasks.

## Task 1.

Can you tell me all the countries which make up South America and their capital cities?

## Task 2.

If you had chance to visit the rainforest, which animal would you want to see?  
Choose one of the animals above or one of your own (based on other research you have done). In 3 or 4 sentences, explain why you chose that one.

## Task 3.

Complete your own research and tell me three famous landmarks you can find in South America. I've given you one to get you started.

The ruins of Machu Picchu, in Peru.

## Task 4.

### Identify South American Countries

Some country names are missing from the map of South America.

Can you name them using a map off Google?

## Task 5.

Research and tell me 5 reasons WHY I should visit South America. What exciting facts can you find out?

## Task 6.
