

## **History**

The children will use sources and artefacts to research life in Ancient Egypt. They will learn about Gods and Goddesses, pyramids and mummification.

## **Art**

The children will Research art by Ancient Egyptians and use this to make papyrus paintings and animal statuettes.

## **Science**

### **Light**

This will be linked to English 'Traditional Tales'. The children will investigate reflection by finding the best material to make the Evil Queens mirror from Snow White. They will use the book 'Fairy Tales' by Jan Pienkowski to make shadow puppets.

## **DT**

The children will make a model of an Egyptian Pyramid. They will investigate materials to use and learn the skills needed, including, drawing straight lines, measuring, cutting, folding and attaching.

## **Diamonds**

**Ancient Egypt  
Autumn 2016**

## **Global Learning**

Diversity, respect, empathy.

## **British Values**

Rule of law, mutual respect, tolerance

## **RE**

Contents and significance of the bible. The children will find out about old and new testament. Linked to the topic they will find out about the story of Moses.
