### Attendance and Start of the school day

We've had nearly a full term with our new, earlier start time of 8:40am. We wanted to say a big thank you to all of the parents/carers who continue to support us with our attendance target of 97% and getting your children in on time - it really does make such a difference to their learning. Our attendance for Autumn 1 was 96.4%, which is above Newcastle and National average and 114 children had 100%. Well done everyone.

### Parent Governor.

We are pleased to inform you that Wafa Dafalla is our new Parent Governor. We would like to welcome her to the Governing body and are looking forward to her joining our experienced and successful team. You can read Wafa's personal statement below:

*"My name is Wafa Dafalla and I am from Sudan. I have 3 children currently at Hawthorn Primary School and I am a volunteer parent. I have recently successfully achieved my Level 2 Teaching Assistant Course and completed my hours of work placement within Hawthorn School. I volunteer in classes and also in the Breakfast Club. I am committed to ensuring my children receive a good education and am also striving to further my own career doing math and IT courses now at college. I also work in an Arabic School and have done for the last 10 years. I am able to support other parents and carers of children in the community and often help translate for them. I attend all events in school and help promote parent workshops and courses with families. I would love to be a parent governor and continue to broaden my knowledge of school and supporting the children and families. My future plan is to be a teacher or teaching assistant after completing my Level 3 Course with college. I feel I can be a good representative of the parents at Hawthorn on the governing body."*

We still have 1 space available for another parent governor, anyone interested should contact Mrs Dube for more information.

### Friendship Fortnight

The children thoroughly enjoyed our 'Friendship Fort-night' and shared in assembly all the activities they had been doing in class to show how to be a good friend.

We ended our week with a non-uniform day for Children in need and raised a fantastic £85. Thank you to everyone who donated.

### After School Clubs

We have enjoyed running a range of after school clubs this term and the children have really enjoyed them. Clubs will finish the week beginning 4th December. **There are no after school clubs for the last 2 weeks of the term.** With the darker nights children are now being collected from the school hall.

You will receive a letter with our new clubs for the Spring term and these will start from the 15th January 2024.

### Maths week

Week beginning 13th November, all classes took part in Maths Week England and completed a range of activities based on a story book. The children had a fantastic week with lots of problem solving tasks taking place. Well done everyone.

**School re-opens for all children on Monday 8th January 2024**
