

Science

In science we will be learning all about light! We will find out where light comes from, how shadows are made and how to keep ourselves safe from light.

English

Our class novel for this half term is 'There's a Pharaoh in our Bath!' written by Jeremy Strong. This humorous story takes us on the adventure of a 4000 year old Pharaoh coming to life in the modern age. The children will be exploring a wide range of writing, in the form of poems, letters, diary entries and play scripts, just to name a few.

Computing

We will be looking at algorithms and programs. We will be making our own Egyptian God fact files.

Year 3– Spring 1

Walk like an Egyptian

Key dates for your diary

A trip to Cruddas park library

PE

A specialist dance teacher will be coming in to teach dance once a week. Followed by rounders and cricket.

Spiritual, Moral, Social and

Cultural (SMSC, RE, PSHE)

In PSHE we will continue to look at the story of 'Leon and Bob' and the issues it focuses on, such as friendship and loneliness. We will then move onto looking at life in the wider World, where we will discuss our attitudes and behaviour towards the community and at home.

Humanities

(Geography, History, Global Learning)

In Geography we will be looking at where Egypt is on the map and learning all about the River Nile. We will be looking at the Pyramids and how they were built, before learning about Tutankhamun and his tomb discovery by Howard Carter.

Art and Design Technology

We will learn how to use paint carefully and effectively to create an Egyptian sunset, which stands behind a pyramid silhouette. We will also be looking at how to use leaver and linkages, making our own moving Egyptian pictures!
