

Science

In science, we will be identifying and naming animals found around the home. We will also observe and identify animals that are found in grass, shaded areas and ponds.

English

This half term we will be reading: The Princess and the Pea and The Kiss that Missed. We will:

- Write a letter to the queen
- Design a poster persuading people to visit a castle
- Create an invitation inviting people to a party
- Label the different parts of a castle
- Look at non-fiction texts about castles and explore new vocabulary

Computing

We will be looking at the different methods of communication and recognising what an email address looks like.

We will also learn how to print out a page from the internet.

Year 1

Spring 2

Turrets and Tiaras

Key dates for your diary

World Book Day—03.03.22

PE

Bat & Ball Games

Gymnastics

Spiritual, Moral, Social and

Cultural (SMSC, RE, PSHE)

RE — We will be reading and discussing stories from different traditions and sources.

PSHE— We will be discussing the importance of respecting the differences and similarities between people.

Humanities

(Geography, History, Global Learning)

Through our topic, we will be looking at castles and discussing why they were built.

In Geography, we will be looking at our local area and naming key features of a town.

Art and Design Technology

This half term, we will be looking at the artist Emma Majury.

The children will create repeated patterns by printing with different objects such as; vegetables, sponges, shapes and found objects. We will also draw and design our own shield.

Maths

This half term, we will be focussing on place value within 50. We will be identifying one more and one less than a given number and ordering numbers up to 50.

We will also be counting in twos and fives.
