

# Year 5 Homework

## Spring 1

### The UK and Food and Farming

Make a fruit salad and research where each ingredient came from.	Use the internet to research different types of farms. Present your findings in a creative way.	Research a city in the UK. Create a fact file giving as much information as you can.
Make a poster encouraging others to look after our environment.	Write your own story about a farm.	Use your sketching skills to create a portrait of a farm animal.
