

Year 1 2025-2026 Maths Curriculum Overview

This is a suggested overview to ensure coverage across the year and to prioritise number based on the needs of the children.

Week	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	
Autumn Term 15 weeks	Number Place Value (within 10) (5 weeks) WR					Number: Addition and Subtraction (within 10) (5 weeks) WR					Geometry: Shape (1 week) WR	Composition of numbers: Multiples of 10 up to 100. (3 weeks)			Any additional time needed	
	NCTEM Prioritisation Unit 1,2,3,5					NCTEM Prioritisation Unit: 6, 7					NCTEM Prioritisation Unit: 4	NCTEM Prioritisation Unit:N/A				
	NCTEM Spine Materials: 1.1, 1.2, 1.3, 1.4					NCTEM Spine Materials: 1.5, 1.6, 1.7,						NCTEM Spine Materials:1.8				
	RTP 1NPV-1; 1NPV-2					RTP: 1AS-1; 1AS-2; 1NF-1					RTP: 1G-1	RTP: 1NF-2				
	Rekenrek: 20 bead, Video: Early number sense, Daily practice cards: EN01, EN02, EN03 and the intervention kit.					Rekenrek: 20 bead, Video: Early number sense & Addition and subtraction (coming soon), Daily practice cards: EN01, EN02, EN03 and the intervention kit.						Rekenrek: 20 and 100 bead, Video: Late number sense, Daily practice cards: NS01				

Week	1	2	3	4	5	6	7	8	9	10	11	12	
Spring Term 12 weeks	Composition of numbers: 20-100 (3 weeks)			Composition of numbers: 11-19 including addition and subtraction within 20 (3 weeks)			Composition of numbers: 11-19 including addition and subtraction within 20 (2 weeks)			Measurement Length and Height (2 weeks)		Measurement Mass and Volume (1 week)	Multiplication and division (1 weeks)
	NCTEM Prioritisation Unit N/A			NCTEM Prioritisation Unit: 8			NCTEM Prioritisation Unit: 8						
	NCTEM Spine Materials: 1.9			NCTEM Spine Materials:1.10			NCTEM Spine Materials:1.10						
	RTP: 1NPV-1			RTP: 1NPV-2			RTP: 1NPV-2						
	Rekenrek: 20 and 100 bead, Video: Late number sense, Daily practice cards: NS01			Rekenrek: 20 bead, Video: Early number sense & Addition and subtraction (coming soon), Daily practice cards: NS01, EN01, EN02, EN03			Rekenrek: 20 bead, Video: Early number sense & Addition and subtraction (coming soon), Daily practice cards: NS01, EN01, EN02, EN03						Rekenrek: 20 and 100 bead, Daily practice cards: NS01, EN02, LN02, Intervention kit activities

Week	1	2	3	4	5	6	7	8	9	10	11	12
Summer Term 12 weeks	Multiplication and division (3 weeks)			Money – counting, unitising and recognising coins (1 weeks)			Time (2 weeks)		Geometry	Introduction of fractions/consolidation of other units		

				Position and direction (1 week)	
		NCTEM Prioritisation Unit: 9			
		NCTEM Spine Materials: 2.1			
		RTP: 1NF-2			
	Rekenrek: 20 and 100 bead, Daily practice cards: NS01, EN02, LN02, Intervention kit activities	Rekenrek: 20 and 100 bead. Build in daily reviews of previous content using daily practice cards NS01, EN0, EN02, EN03, LN01, LN02, as well as use the intervention kit for any children struggling with numbers to 20.
