

Science

Our Big Question: What animals can we find in certain places?

Talk about animals that they are interested in.

Talk about and describe different animals.

Talk about what animals eat and where they live.

Talk about how to look after a pet.

Talk about how they can look after animals/pets.

English

This half term, we will be reading: *The High Street* by Alice Melvin

We will:

- Write a recount.
- Write in past tense.
- Discuss the significance of texts and titles.
- Re-read our own writing to check it makes sense.
- Use question marks and exclamation marks in our writing

Computing

We will be learning about ways which we can keep ourselves safe on the internet.

We will be communicating via school email.

Year 1

How has *The High Street* changed?

Trips and Visitors

We will be visiting our local High Street and using Google images to compare it to the past 50 years.

Parents are invited in to school for a parent workshop—Date to be decided soon.

PE

Fundamentals and invasion games.

Spiritual, Moral, Social and

Cultural (SMSC, RE, PSHE)

RE— We will be looking at special books and religious stories from the bible and *Guru Granth Sahib*.

PSHE— We will be thinking about how to keep ourselves healthy. We will be learning how to get money, and make good choices with money.

Humanities

(Geography, History, Global Learning)

Through our topic, we will be looking at changes to *The High Street* focussing on how shopping has changed over the years, how food is packaged and how we pay in comparison to the past.

Art and Design Technology

In Design Technology (DT), we will be designing, making and evaluating a pop up card for Eid.

We will look at the work of Emma Majury and create repeating patterns using objects and paints.

Maths

This half term, we will be looking at:

- composition of numbers
- multiples of 10 up to 100
- 20-100 followed by the teen numbers.
- geometry; measurement, position and direction.
 - quarter and half turns
- using left and right accurately.

Science

Create a booklet to tell us what animals live in: swamps, farms, savannahs, deserts, rainforests and the South/North poles.

English

Write about your favourite shop and the things you can buy there.

Re-read your writing.

Check it has full stops, capital letters, finger spaces and that it makes sense.

Art & DT

Get creative and create a shop using junk modelling for our High Street display.

The High Street

Homework Challenges *10 points each*

PE

Do 10 star jumps every morning before your breakfast.

Practice hopping, skipping, jumping, hopscotch, side stepping and galloping.

Make a 'Healthy Eating' poster.

Humanities

Research what shopping looked like 50 years ago and write some facts about it. Visit your local high street. Think about what would have been different in the past.

Maths

Practice counting in tens. Write a number and partition it into how many tens and how many ones.

Order all of your toys from tallest to shortest and take a photo for Seesaw.

Practice counting backwards from 100 to 0.
